Voted most valuable player by his teammates on the Rebel hockey club, Jim Dunn is shown above accepting the MVP trophy from team manager Harold Reinhart (R) with club president Doug Barnes looking on. The trophy, donated by Mr. Reinhart, was presented during Sunday's game at the Centennial Civic Centre.

## REBELS DEFEAT MAROONS IN TITLE QUEST

It happened in Drayton Valley all upon St. Patrick's Day, when the green clad Rebels drove the gallant Maroons away. It seemed that there was a leprechaun riding on every Rebel shoulder Sunday afternoon and "the Little Folk" paid special attention to Barry Pankewicz in the Drayton Valley nets as the sturdy Rebel custodian turned in a fantastic performance to bring the local team into the Northern finals in the Provincial playdowns at the Intermediate "C" level. One way or another the Rebels were great Sunday afternoon as they downed the Camrose Maroons 6-2 at the Centennial Civic Centre before a crowd of 574 delirious fans. By virtue of the victory the Rebels won their quarter finals round by taking the two game, total points series from Camrose by a 9-3 score. The Rebels won the series opener 3-1 last Thursday night in Camrose. Here again the Drayton team turned in a superlative effort to get off on the right foot and bring on all important two goal lead into Sunday's game.

Sunday's victory was ever so sweet but it was not an easy win. In Thursday's opener the Maroons felt confident that they could dispose of the Rebels whom they had handled with relative ease in league play all season long. After the 3-1 defeat, however, the Camrose squad did not give up all hope. On the contrary, they came to Drayton Valley

Sunday afternoon determined to redeem themselves and win the game and the series. On the other hand the Rebels knew that a two goal cushion was no assurance of victory and went out and played from the opening whistle as if they were two or three goals down. With those two fine hockey teams going all out for victory in torrid competition the result was bound to be the greatest hockey game ever played in Drayton Valley, and that is what the fans witnessed last Sunday afternoon.

Play started off at a torrid pace from the drop of the puck. The Rebels put on tremendous pressure in the first five minutes of play but the Camrose crew held fast. Francoeur was penalized for boarding at 2:27 but the Maroons withstood the Rebel power play. Play tightened up somewhat as the period progressed and the checking was tenacious, especially on the part of the Rebels. Doug Hall got away a blinding shot from about twenty-five feet out near the ten minute mark but Gaede came up with a spectacular save to keep the game scoreless. The Rebels continued to hold an edge in play even when shorthanded through a holding penalty to Rod Colbert at 12:54. Back at full strength the Rebels drove into Camrose territory and at 15:27 Garry Haack drove home a rebound from Doug Hall's shot. Doug had taken a close-

## EXTENSIVE BURNS SUFFERED IN FIRE EARLY SUNDAY

Thirty-eight year old Harry Brown suffered extensive second degree burns to his arms, back and chest in a fire that destroyed the interior of the family home early Sunday morning.

All other members of the family escaped from the house without injury. Mr. Brown, who was asleep when the fire was discovered, got out safely but returned to the burning house because he thought some members of the family were still inside. It was during his attempt to locate the children that he suffered his injuries.

The fire was discovered by two-year-old Timmy who noticed smoke coming from a bedroom and called his mother who got the children out of the house and awakened her husband.

The Drayton Valley Volunteer Fire Department responded to the alarm at 2:00 a.m. and

had the fire under control in about an hour.

The house a modern frame

and stucco bungalow at 4717 - 49th Street, is considered a total loss.

dig up another 5.72 mills on their school taxes this year-- unless the provincial government chips in more money under the Foundation Program.

This appears to be the grim prospect following acceptance by division teachers recently of a 13.88% salary increase on their 1967-68 contract. The award was handed down by a conciliation board.

The 180 teachers voted to accept the award earlier in the week. The divisional board is expected to approve the award at its next meeting. The School Board had previously accepted a conciliation commissioner's award of 13.39%, but this was rejected by the teachers.

The award last week gives an overall average salary increase of about \$900. This is higher than percentage increases gained by the teachers

in recent years. Last year they received an 8% hike.

The range of increase is from \$400 to \$1,112 per teacher. The new increase will cost the division \$165,910.00 for a total salary bill of \$1,361,602.00.

## Rotary Club Elects Officers

Annual election of officers was held by the Drayton Valley Rotary Club at the regular supper meeting last Wednesday.

# F.U.A. Sub-District Annual Meeting to be Held in D.V.

The regular monthly meeting of the local F.U.A. was held Wednesday, March 13th in the Council Chambers of the Town Hall. There was a fair turnout, despite the inclement weather.

Willy Dusterhoft reported that he had received a reply regarding the grain tester that the local is considering purchasing. All members are strongly in favor of having this equipment available in Drayton Valley, as so much

valuable time is wasted during the busy harvesting season driving back and forth to the elevator to test the grain. More investigation is to be done in this connection.

Frank Hoge raised the subject of bringing natural gas into farm homes. Some discussion was held on this, and members felt that not enough information was available regarding cost of installation and other details. It was therefore agreed that the mat-

ter be tabled until the Sub-District meeting on April 4th, when several executives will be available for questioning.

A resolution was passed protesting to the Hon. Mr. E.C. Manning against the raise in price of tractor fuel and stove oil.

The local is hopeful of a good turnout to the Sub-District 6 annual meeting to be held April 4th at 8 p.m. in the Elks Hall. President Paul Babey will be speaking and Mr. Ralph Jespersen will also be here, unless there is an evening session of the Legislature. There is no F.U.A. Local between Drayton Valley and Leduc, so farmers throughout the area are cordially invited to attend. Free lunch will be served.

Some discussion was held about the F.U.A. Auto and General Insurance Pool, and all members expressed great satisfaction with the dividends received on the 1967 premiums. Perhaps some farmers in the area do not know about this insurance, and if they would like to attend the meeting on April 4th, Mr. Ed Hines the local president would be glad to give details.

## Film Planned

The Drayton Valley Rotary Club announced this week that the film "Adventure High Arctic" will be shown here on April 18th under Rotary sponsorship.

Further information will be released shortly and an advance sale of tickets scheduled for early April.

## Trailer Raffle

John Zukowski (R) sells the first trailer raffle ticket to Doug Barnes, President of the Rebels Hockey Club. The club is raising funds for the operation of the team with the raffle of the trailer which is expected to be on display here in a few days.

Mrs. Norma Bowen entertained a number of relatives who dropped in to help Grannie Bowen celebrate her 86th birthday. Those attending were Mr. and Mrs. Bert Belanger of Ft. Nelson B.C.; Mr. and Mrs. Earl Floden and Audrey of Leduc; Mrs. Juanita Williams and family of Mayerthorpe; Mr. and Mrs. Don Metke and sons; Mr. and Mrs. Steve Kugyelka and sons of Funnell; Mr. and Mrs. Wayne Floden and family; and Miss Rita Maxwell. A good time was enjoyed by all.

A number of young folks enjoyed an airplane ride in Ronnie Floden's plane. We understand

he landed on Colby's big lake.

A delegation went to Leduc on Monday to attend a special school meeting. Among those who attended were Mr. and Mrs. Gordon Gillespie, Mrs. N. Bowen and Mr. Geo. Colby. Jim Saunders was a recent city visitor.

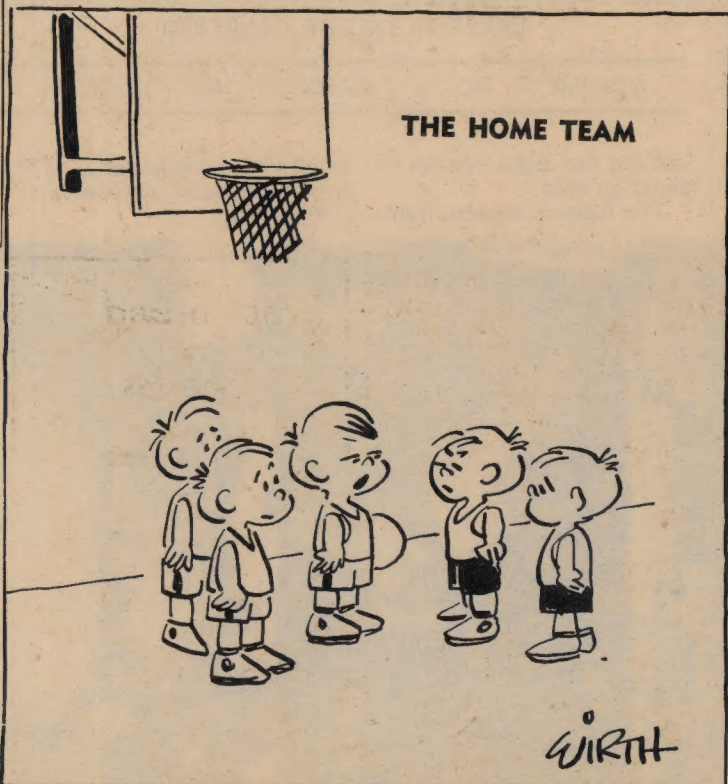

Miss Shirley Gillespie of Edmonton was home over the weekend.

We hear Maynard Jorgenson returned back to his job at Niton, Alberta.

Mrs. May Jorgenson is visiting at Mr. and Mrs. Maynard Jorgenson.

The policeman investigating a fight asked the fellow who got beat up to describe the man who had done it.

"That's what I was doing when he hit me," was the reply.

"Remember, no dunk shots allowed!"

## Defensive Driving Course Planned by Fire Department

The Drayton Valley Volunteer Fire Department will sponsor a course in defensive driving to be held in the Pan American Safety Hall on March 25th and 27th from 7:00 to 11:00 p.m.

The defensive driving course conducted in Alberta by the Alberta Safety Council is a break through in traffic accident prevention. It is the first standard course offering everyone who attends the opportunity of learning the techniques that make professional drivers so much safer than the average driver.

The course covers a total of eight hours, completed in one week for a group of about 25 licensed drivers. Fee for the course is \$5.00 and anyone interested is asked to contact Elmer Madsen at 542-3886 to

register.

The defensive course is a program aimed at traffic accident prevention. It offers licensed motorists a standardized method for improving their driving ability through the practice of professional safe driving techniques.

The program is geared to the local community level and is presented through course sponsors and trained instructors who give their time and talent without pay. Students are charged a nominal fee to help pay for instructional materials, student materials, instructor training and sponsor expenses.

Regardless of the locale or the instructor, material in the Defensive Driving Course is presented in the same way throughout the country. This insures that every student receives complete, thorough and systematic training. Standardization is achieved through the use of a detailed instructor's manual showing what subject matter is to be presented in each session, the manner of presentation and the visual aids to be used. All instructors must be approved by the Canadian Highway Safety Council.

Each student completing the course receives a certificate from the Canadian Highway Safety Council. But more than that, students graduate to being safer, more skilful motorists on our streets and highways.

Members of the Drayton Valley Rotary Club, their wives and guests, celebrated St. Patrick's Day with an afternoon of curling at the local curling club.

Curling was followed by dinner at Barney McGlone's suite in the Drayton Valley Hotel. All those who took part enjoyed the occasion and expect to be fully recovered from the muscle strain in a day or so.

## Evansburg Students Visit City School

Seven high school students from the Evansburg School were guests of the Victoria Composite High School Business Education Department on February 29th.

The students who took part in business education classes at Vic were Theresa Tkach, Penny Tufty, Veronica Lewiski, Ione Leakvold, Eugene Rudyk, Mark Thompson, and John Kusmierz. They met at Victoria at 8:45 a.m. and were introduced to their business partners for the day and went with them to their various classes to observe how classes in Business Education were run and see the operation of machines etc.

At noon, they were guests of the high school in their dining lounge and enjoyed a delicious free meal prepared and served by cooking students at the school.

At the end of the day, they all met together with some of the teachers and discussed the advantages of a large school as compared with a small school, and the disadvantages as well. They returned home with sample yearbooks and newspapers made by the Victoria students, and a new insight into business education.

The seven students are in business education under the direction of Mrs. A. Rae Weist of Evansburg.

## EDITORIAL COMMENT

### Best by Test . . .

The Bureau of Advertising conducted a survey in four cities two days after a newspaper supplement was distributed announcing a new car model. The question asked was: "Seen or heard any ads for the new 1968 model cars?"

Of those who saw the motor car company's sponsored TV shows and also read the paper with the insert, 38 per cent spontaneously mentioned the advertising. If they read only a newspaper containing the supplement and had not seen any of the TV shows, 30 per cent correctly identified the brand.

However, when one or both TV shows were seen, but not

the newspaper carrying the advertising, only 15 per cent could identify the correct make of automobile.

These results also confirmed the motor company's own survey. They found that 53 per cent of the people remembered the newspaper advertising, 60 per cent still had it on hand and 13 per cent intended to save it for future reference.

Once again the power of newspaper advertising was proven. You cannot find a more convenient way to send your message to your potential customers where it may be read at leisure, put down, picked up again, saved and compared. And it is economical!

## Lenten Meditations

BY REV. ZEKE MARTIN

"Today though shalt be with me in Paradise." This is the second word from the Cross and it is the word of pardon. There were three crosses that day in the long ago--the cross of the unredeemed, the cross of the redeemed, and the Cross of the Redeemer, and they all faced

in the same direction--that of Eternity.

The cross of the unredeemed is the cross of impenitance, rejection and of unbelief. This criminal was very near he fountain of mercy and he could have received pardon, but he did not seek it. He

failed to take advantage of his opportunity and indeed, he showed a reckless disregard for the coming judgement.

Jesus loved this thief just as much as he loved the other robber and he was just as eager to forgive him. But he spurned the bleeding outstretched hand and rejected the love that was willing to rescue him from perdition. Against every worthy suggestion, against every entreaty this sinner hardened his heart and while he was so near Jesus really he could not be farther away. He wanted Salvation that was all mercy and no justice, forgetting that God is just as well as merciful. He wanted Salvation for nothing, for he was unwilling to pay the price. His was a spirit of worldly indifference for he showed no courtesy, no manliness, no marks of regret. He was a complete failure for he departed this life without forgiveness and without the peace and blessing of God.

Conversely the other thief's cross was one of penitance, faith and acceptance. At the outset each thief reviled Jesus, but this one changed and "Jesus remember me when Thou comest into Thy kingdom." Our Lord ever ready to help, replied "verily I say unto thee, today thou shalt be

## Legislature Report

By Tony Cox

Alberta has strongly protested a new federal policy which reduces responsibility for the medical care of all but indigent Indians.

Health Minister Doctor J. D. Ross told the legislature that the federal government expects Indians to pay for medical and dental treatment from band or personal revenues. The alternative was for Indians to be subsidized under the Alberta Health Plan.

The matter came to a head Thursday when 200 Indian women marched on the legislature and presented a brief wanting to know just who is providing health care for them. Acting with dispatch, Premier Manning telegraphed the Prime Minister asking for his personal intervention to delay any move until both levels of government and the Indians themselves could settle the issue. In its proposal to implement the scheme April 1st, the Premier said the federal government had acted without consultation and financial compensation.

The federal director of medical services for Indians for the Prairie Region, Dr. O.J. Rath said the move was part of a general governmental spending cutback.

The new Alberta Housing Act will enable the province to undertake public housing and accommodation projects, land assembly and land development schemes but these will be done chiefly at the request of local authorities. Municipal Affairs Minister, Edgar Gerhart, who introduced the bill said he hopes Ottawa will eventually amend legislation so that a person leasing a home or paying rent can use this money as an option to convert the rent as capital for a down payment.

A section based on the Ontario Home plan makes provision for land development projects and is aimed at families below the \$8,000 a year income level.

An amendment to the Landlord and Tenant Act forces landlords to return or account for damage deposits within ten days after a tenant moves out. Landlords not obeying this rule are liable to a maximum fine of \$100 upon summary conviction.

The first ombudsman report tabled in Canada revealed 216 complaints. Alberta's ombudsman, Mr. George McClellan said 29 of these were fully investigated but only 11 were legitimate and justice obtained for the complainant.

Complaints against the Workmen's compensation board were the most numerous but are still being investigated since a 1963 court decision ruled it was not a government agency. Legislation introduced this month amending the Ombudsman Act will now cover workmen compensation cases. No complaints of police brutality were received.

The annual report of the

with me in Paradise".

This sinner, unlike the other wanted a place in Christ's kingdom, to share in his death, to be blessed in his resurrection and to abide with him in eternity. The change in this man took place under difficult circumstances for life was almost gone and death was near, the crowd was jeering at Jesus, soldiers were casting lots for his garments, and the other thief mocked him, yet notwithstanding all of this divine grace wrought salvation in his penitent heart. His realization of the need of a blessing from the Redeemer before the embers of life burned out en-

correctional institutions superintendent Mr. F.C. Oswin said the Fort Saskatchewan Jail's male section is incredibly over crowded. It also stated the Bowden Institute's accommodation for male juveniles was unacceptable and should be vacated as soon as possible. In Alberta, the ratio of sentenced offenders in jail is one for every 1,112 persons.

During questioning in the legislative public accounts committee, Liquor Control Board vice-chairman, Mr. J.F. Falconer admitted a 100% mark-up in the price of Canadian and imported spirits. Desert wines are marked up 80% and beer 30%. Revenues from beer, wine and liquor for the 1966-67 fiscal year totalled \$34,289,000.

The Opposition suggested the provincial government should build grain elevators on the West Coast to help alleviate the burden of the quota system. It proposed the formation of a Crown corporation to finance a five million bushel terminal as a self-liquidating project.

Agriculture Minister, Mr. Strom said no district agricultural office will be established this year at Sedgewick or Coronation but confirmed new D.A. offices at Valleyview and Manning.

In brief, an urban renewal study will be conducted this year in the Crows Nest Pass region; hunting in blaze orange jackets may be legal this Fall; a cultural foundation fund has been suggested; Provincial Treasurer, Mr. Aalborg says the Resources Railway will save Peace River Farmers \$275,000 a year on grain haulage and the reliability of do-it-yourself breathalyzer kits are being "tested" by the department of highways.

## WARBURG NEWS

BEN GROHN  
Correspondent.

On Thursday evening, March 7th in the Warburg Legion Hall the 1968 slate of officers of the Warburg Legion No. 205 was installed.

Provincial First Vice President W. W. Gordon of Edmonton was present for the installation and officers installed were: President, Mark Hooks; First Vice-President, Arnold Foster; Sgt. at Arms, J. Hankins; Secretary Treasurer E. T. Neff.

In the presence of parents and friends certificates of awards in essay and poetry contests were made by District president Stewart Black of Innisfail, and Zone Commander Ed Overall of Mam-e-o Beach. The winners for poetry were Hilda Ollenberger and Reg McAllister. Senior essays, Donna Haight and Linda Smith. Junior essays, Pat Bredin and Marion Rose. The quality of poems and essays were highly commended by the visiting officers.

In the regular meeting commander Gordon gave an up to date review of Legion work in Alberta and the problems they have. After the meeting the ladies of Warburg Legion served a bountiful lunch.

The crib tournament is over and the winners are Mrs. Shirley Ruff took first in the First Event and Mrs. Elenor Smith took second in the First Event. Benny Weiss took first in the second event, and Mrs. Nora Broadbent took second in the second event. Many thanks to Leona Hartley and Kavangh.

Johnny and Theresa and Fryan Johnstone were in Warburg this last week visiting Mike and Frank Stanger and family, before they left to make their home in Kelowna, B.C. They left after a two-day stay in the Warburg area, taking Mrs. Ann Stenger with them for a brief holiday.

Mr. Hogan Hanson has left the hospital but will be staying in Edmonton.

The Grade 11 class went to Edmonton last Thursday to tour the Edmonton Journal.

Approximately 80 parents attended the parent teacher meeting last Friday.

The final basketball game was played last week at the Warburg school. Warburg defeated Winfield. The girls took first while the boys tied for second.

Last week the Drayton Valley Separate School played the Junior High School. The Warburg girls won but the boys lost.

Mrs. Selma MacDonald visited Bob MacDonald and family as well as many friends in the area.

Mrs. Bob Sarvas, Mrs. Frank Szepisi, Mrs. Richard Rougast and Mrs. Wilfred Schnick took first in the second event at Thorsby curling bonspiel.

Basketball Tournament to be held on Saturday, March 23 beginning at 9:30 a.m. The boys games will be held at St. Anthony's gym and the girls games will be held at Frank Maddock High gym.

The final games in both the girls and boys sections will be in Frank Maddock gym. The girls final goes at 3:00 p.m. and the boys final goes about 4:00 p.m.

Teams from Wildwood, Tomahawk (girls), and Breton (boys) will pit their prowess against the two home teams.

Trophies will be presented to 1st and 2nd place winners of girls and boys sections. A trophy will be presented to an All Star player on each team for his contribution to the team. These trophies will be presented after the final game of the day.

Refreshments will be served at both gyms. One admission gives entry to both gyms. Cheerleaders will also be in attendance to provide a pleasing diversion.

First of all this week I would like to thank all those people who so generously gave their beverage bottles to the Wolf Cubs when the boys called at their homes recently. The boys consider they had a most successful bottle drive and are very satisfied with the result. Thanks also to Miss Kuluba and Mr. Young who purchased the bottles from the boys.

We wish to welcome our new District Agriculturist to the area, Mr. Grant Gillund. Mr. Gillund has come here from Stony Plain where he was in the District Agriculturist's office.

Congratulations to Mr. and Mrs. Harry Tucker on their recent marriage in Calgary.

Visitors at the Mazeppa home recently were Mrs. Mazeppa's father, Mr. Stecyk from Holden and Mr. Mazeppa's sister, Mrs. J. Carlson from B.C. who came to attend the funeral services for Mrs. H. Wheele of Wildwood.

I was very pleased to be able to attend a meeting of the Entwistle 4-H Clothing Club recently. Speaker for the evening was Miss Judy Murta who spoke to the girls on fashion, color and the fun of being girls.

The latest bingo jack pot to have been won here in Evansburg, was quite small and won by Mr. Jesse Bruner of Wildwood.

The Styal FUA local held its meeting recently at the Peterson home. Reports were heard on the progress being made concerning the road north of Styal. It was decided to hold the next meeting at the Legion Hall and to invite some of the other locals to discuss farmer-problems. In the absence of the president, Mr. Kreminiuk, and Vice President, Mr. J. Mazeppa, Mr. Tuke, former president, chaired the meeting.

### SIMPLIFY IRONING

Today's column should be laid aside by the woman who irons towels and jerseys. It is designated for ladies who are allergic to ironing boards.

Before we shell out for wearables one should think about upkeep. Our laundry facilities our family size, our own time and strength are all contributing factors.

Things that look like a rag unless ironed to perfection should be avoided like the plague. Visualize children's garments after twenty trips to the washer.

Having purchased wisely you now start eliminating ironing at the clothesline or dryer. The one habit of folding everything immediately it dries, saves hours of ironing. Respectable, efficient house

housekeepers fold towels, sheets, underwear, pyjamas, jerseys and wash pants; put them away, and use without apology.

The ironing now consists of shirts, table linen, pillow slips, blouses and dresses.

Even the best steam iron won't do a good job on its own but learn to sprinkle according to fabric weight. Heavy linen has to be quite damp; cotton and lighter fabrics don't need much moisture. Warm water penetrates better than cold. Everything must be ironed dry so don't have stuff soggy, but use enough moisture so the iron wipes out the wrinkles easily.

Within the next few years everything we buy will be permanent press. In the meantime ask yourself: (1) Do I burden myself with unnecessary

ironing? (2) Do I buy things that need too much fussy upkeep? (3) Do I save myself work by folding everything the minute it's dry?

## LEPRECHAUNS BLANK MAYERTHORPE 4 - 0

The Drayton Valley Hotel Leprechauns blanked the Mayerthorpe Millers 4-0 in an exhibition Pee Wee hockey game played at the Centennial Civic Centre Friday evening.

The Leprechauns took an early lead and never looked back as Bob Henderson, Lenny Lachance scored in the first and second periods while Don Hennessey came up with a pair of markers one late in the second period and one midway through the third session to close out the scoring. Bert Dupperon played a fine game in the Hotel team's nets.

After the game the entire Leprechaun team along with their coaches were the guests of the Drayton Valley Hotel

Management at a meal served in the Cardium Room. Everyone had worked up a good appetite and attacked the food with the same enthusiasm that they displayed earlier chasing the puck around the rink. The meal was thoroughly enjoyed by one and all.

in pass from Ron Hemmingway for the initial shot on Gaede. The green and white outfit were now leading 1-0 in the game and 4-1 in the series and on this note the first period ended.

The second session was scoreless featuring fast, thrilling hockey throughout. There

were many scoring opportunities on both sides, however, both Pankewicz and Gaede kept their citadels clear of rubber with sparkling performances. Penalties played a thrilling part in the second period. The Rebels ran into trouble when Garry Pankewicz got the thumb for cross checking at 3:06 and was followed into the sin bin by Frank Novosel at 4:36. Thus began the "Crucial Thirty Seconds" when they were playing four men to six. Nothing happened, however, as the Rebel penalty killing crew kept the Camrose attack at bay. The Maroons then were a man short for the next seven minutes as Francoeur went off for tripping at 7:24 and Gaede drew a major for spearing near the half way mark in the period. Then Brandt got the gate for tripping at 13:36. The Rebels failed to take advantage of the extra man power as Colbert was penalized for holding at 10:30 and Solnes took an interference call two minutes later. The Maroons exerted continual pressure and had a territorial margin in play throughout the period. Midway through the session Pankewicz came up with a series of impossible saves to keep the Rebel lead intact.

The Maroons came out full of fire in the third period. They stormed the Drayton net and at the .27 mark Alex Wellhawk took a goalmouth pass from Hoult and blasted home the tying score. The Camrose team came driving back and drove no less than ten shots at Pankewicz in the first five minutes. Here again Mr. Goalie saved the day and then the tide turned. The Rebels scored four goals in two minutes and forty-two seconds to change the entire complexion of the game and the series. Larry Metelski drove home a pass from Barry Solnes at 6:03. At 6:45 Frank Novosel made good on a short pass from Rod Colbert. One minute later Barry Ness took a corner pass from Dave Boulter and batted it home at close range. Then at 8:45 with the teams playing five aside, Colbert caught the corner at point blank range with a pass from Solnes. Now the score was 5-1 in favor of Drayton Valley in the game and 8-2 on the round. Both teams scored in the final stag-

es of the game, Ledene at 13:48 for Camrose and Solnes at 14:13 for Drayton Valley, but the game and the series had been decided by the explosive Rebel attack which produced the four electrifying goals in less than three minutes.

The Rebels now go on to meet the Fort Saskatchewan Huskies in the Provincial semi-final. This is another two-game, total point series with the first game being played at 8:30 p.m. in Drayton Valley at the Centennial Civic Centre on Thursday night. The Huskies got into the semi-final round by virtue of their total point victory over the Wetaskiwin Colonels on the weekend.

The Huskies have a fine hockey team, a well balanced offense and a star goalie in the person of Roy Turner. This series could develop into a battle of goalies with Pankewicz and Turner trying to outdo each other at the opposite ends of the rink. In any event we have a great hockey game scheduled here for Thursday night. The Rebels are playing tremendous hockey right now and Thursday's game should not be too much different from Sunday's thriller.

## BERRYMOOR

MRS. D. MARTIN  
Correspondent

The young people who have been staying at home since the first of March because of a teacher shortage at Lindale got back to school this week. A teacher has been found for them so they are able to resume their studies once more.

Last Tuesday evening was a lucky one for Ann Van Ember. She attended a bingo at Ramona and won a prize. Also, that same evening a quilt was raffled off and Ann held the winning ticket.

Mrs. Leo Olson of Innisfail spent a few days in the district with her mother, Mrs. Hattie Barrett. Mrs. Olson helped her mother to complete her move to her new home in Breton. Yours truly went to the Berrymoor School with Mrs. Olson more years ago than we like to admit. And, it was a real pleasure to be able to visit with her again and to talk over old times.

Bernice Lietz had the misfortune to fall and crack a bone in her arm.

The Lindale Hall board held a St. Patrick's dance at the hall on the evening of Friday, March 15. Rosaire and Maurice Parenteau of Drayton Valley supplied the music.

A week ago Mr. and Mrs. John Johnston had a number of visitors at their home. They included their two sons and their families; Mr. and Mrs. Marvin Johnston of Edmonton and Mr. and Mrs. Clifford Johnston of Fort Saskatchewan. Also, Mrs. Ella McNeill of Edmonton who is Mr. Johnstons' sister.

Mr. and Mrs. Walter Joneson and family spent the weekend in the district.

On Saturday evening about ninety friends and relatives gathered at the home of Mr. and Mrs. Harvey Van Ember to honor Mrs. Hattie Barrett who has recently moved to Breton. Mrs. Barrett was presented with a gift from the community and also the best wishes of everyone for which she graciously thanked everyone present. Four of her five sons and daughters were there to help all of us to wish her well. Those from out of the district included Mr. and Mrs. Leo Olson of Innisfail, Mr. and Mrs. Harold Hanson from Edmonton, Mr. and Mrs. Rock Rycroft and Shane of Jasper, Mr. and Mrs. Jack Barrett and Rodney of Breton and Mr. and Mrs. Jim Levers of Breton.

A number of our district men were curling over the weekend. We haven't heard the results as yet.

## Rotarians Plan Charter Night

Local Rotarians are making plans for the Club's annual Charter Night to be held on Friday, April 26th.

The evening will start with dinner in the Cardium Room followed by the party moving to the Elks Hall for dancing and entertainment.

The club's program committee is busy now endeavoring to ensure a highly successful evening.

their husbands were entertained by guest speaker, Dr. Goba, of Evansburg, who gave a most interesting talk on weight control problems and some means of solving these problems.

Drayton Valley's Tops Queen of the year, who was the lady losing the most pounds in the past year, was crowned and presented with a gift. There were also presentations made to the winners in the various weight categories as well as the to the Past President for a job very well done in the last year.

The entertainment committee sang a few appropriate songs and two poems were read which afforded the audience some merriment.

The TOPS Club has now been re-organized into the new Canadian Coast to Coast Calorie Counters Club.

## Club Meets

DAWN BROWN, Reporter

Another meeting of the Entwistle 4-H Clothing Club was held March 6th in the Entwistle Community Church Basement. The pledge was led by Debbie Nelson. Roll call was "My Duty as a Club Member."

Norine Messenger gave a demonstration on "Various Hems for Garments" and Caroline Keast gave a talk on "Stain Removal".

Special guest for the evening was Miss Judy Murta. She gave an all around talk on colors, how to sit, walk, and stand correctly, how to hold a purse and much more. We all enjoyed her talk very much. We would like to thank her for taking her time and visiting our club.

Buy a comb now. The Entwistle 4-H Girls are selling nylon combs at only 10 for \$1. We will be holding a Blitz Night very soon.

The next meeting is March 20 in the community church.

## FROM THE BIG COUNTRY... Alberta

### Is there Gold in them thar hills?

These days, when curious adventurers take off into the bush, chances are they're investigating the mysterious gleam of an Unidentified Flying Object.

But back in the late nineties and the early part of this century, when a young fellow packed out into the hills with a light in his eye, you could bet two bits to a barley steer that the gleam he sought was gold.

The lure in those days was the Lost Lemon Mine, a legendary seam of coarse gold said to have been discovered by two prospectors in 1870. In the spring of that year, the two men, known only as Blackjack and Lemon, were among a party of miners who set out from Tobacco Plains, Montana, to search for gold on the North Saskatchewan River.

Both were experienced men, and though they found certain placer deposits, they were quick to see that the river gold was not present in paying quantities. They decided to leave that fall, and for protection against the Blackfoot, joined a party southbound heading for Fort Standoff.

Somewhere in the High River region, so the story goes, the two bade farewell to the Standoff party and struck west on an Indian trail over the mountains. Following the river, they found themselves panning for gold almost out of pure habit—and to their surprise, they were suddenly rewarded with considerable findings which they traced to the head of a mountain stream.

### Murder and Madness

But other eyes were watching. As the pair dug and searched among grass roots and bedrock, two young Stoney braves silently followed their every move. They were still watching when the prospectors stumbled across the gold source, a ledge of crumbling quartz which revealed gold of unbelievable quality.

The fevered search had brought both men to a state of excitement verging on hysteria and, that night, an argument broke out. Half-crazed, Lemon killed his partner with an axe while Blackjack lay in his bedroll. Then, terrified to leave the camp till morning, he paced back and forth in the light of a huge fire while the watching Indians whistled

from the darkness with macabre condemnation. At first light, Lemon mounted up and fled, leaving his camp in disarray. The Indians emerged from their hiding place and took what was left. There were two horses, food, guns and other equipment, all of which they carried off to their chief—Chief Bearpaw—at Morleyville. The chief heard their story and swore them to secrecy.

Lemon, meanwhile, arrived back at Tobacco Plains torn with remorse. He confessed the murder and being obviously mentally ill, was received with sympathy and compassion. A scout was dispatched to the location of the discovery to bury Blackjack.

Curiously (in the light of later attempts to rediscover the spot) the scout, whose name was McDougald, found the site without difficulty. He reported back that the job was done and that the grave was marked with a cairn of piled rocks. No such cairn was ever found on later explorations and the explanation given was that Chief Bearpaw knew of McDougald's mission and had the mound destroyed. Furthermore, to erase the cursed place for ever, the chief is said to have forbidden hunting or travelling in that area, so that trails grew over and disappeared.

### Lemon Returns

After wintering in Tobacco Plains, Lemon's condition showed some improvement and he was induced to return with a large party in the spring. The search proved fruitless. Still definitely unstable, Lemon proved unable to retrace his former route with the result that some of his companions threatened to lynch him. Not surprisingly, this was all that was needed to push the unfortunate prospector over the brink into insanity. He lost his reason entirely and the expedition was abandoned.

Next year, McDougald, the man who had buried Blackjack, was recruited to lead another attempt. But McDougald died on his way to meet up with the party. Another party was formed the following year, but this was driven back by mountain fires. A year later, yet another search was organized with the unfortunate Lemon again being led forth to act as a guide. But, on nearing the place, Lemon once more lapsed into madness and the attempt was abandoned.

The search continued, however. First, the men on the original Lemon party, then the man who staked Blackjack and Lemon in the first place, then countless others over the years. Despite everything, the mountains refused to yield their secret.

Opinions vary as to whether the find ever really existed at all. If it did, chances are that its riches are still untapped; the Indian witnesses to the Blackjack murder having carried their secrets to the grave.

For what it's worth, though, the location was said to have been at the headwaters of a triple-forked river—which checks out with the Highwood. It was said to be in broken quartz, and there are disturbed beds of shale, iron and coal on the southern tributaries of this river. And supposing a later story of Blackjack's skeleton being found in the gap of the Oldman River is true, the Lost Lemon Mine might well be between the southernmost tributary of the Highwood and the northernmost waters of the Oldman. That narrows the area of possibility to a scant ten miles at most. From here on in, you're on your own.

## Lariat Club Plans Interesting Season

The Lariat Gymkhana Club had intended to hold a toboggan party on Saturday, March 16th but as there was not enough snow the adults instead enjoyed a party at the Schmidt resident. Owners of quite a variety of different horse breeds were present so we imagine a few friendly arguments arose.

Our president, Cliff White-lock will be showing his Quarter Horse, Count Kelobar, at the Edmonton Horse Show on the 27th of this month. Good luck Cliff.

The club would like to express sympathy to Patsy Hoge on the death of George, her Siamese cat, who was struck down by a car recently.

The Northern-Alberta Appaloosa Club will be holding a meeting on April 18th and would like any Appaloosans to attend. This meeting will be held at a farm on the south side of the road, one half mile west of the Winterburn Store at 2 p.m.

We would like to again remind everyone that at our general meeting of April 5th

we will be showing a 45 minute film on "Quarter Horses in Action" and we should be pleased to see a big turnout--both members and non-members.

Membership will be taken at this meeting and our membership fees are: family \$10, adult \$15, intermediate \$2 and Juniors \$1. Associate member fees are \$1.50. An adult is considered anyone who has attained his 16th birthday before January 1st of this year. Intermediates are from ages 12 to 15 inclusive and Juniors are up to the age of 12.

We are all trying very hard to make our club more interesting and fun this season and if anyone is thinking of joining we will be glad to see you at our meeting and film showing which will be held in the Scout Hall and will begin promptly at eight o'clock. Coffee and cookies will be served.

## Skaters Practising Hard for Carnival

Drayton Valley's 13th Annual Ice Carnival on March 30th will take its spectators around the world in 80 minutes--figuratively speaking that is. Each number done by the skaters will represent a different country.

The costumed skaters will depict a toymaker's shop in Switzerland with real live toys and a football game in the United States with its cheerleaders. Some brightly costumed girls will bring a touch of colorful Hawaii to the show. There will be a Mexican Hat Dance and a bull fight from Spain. Little preliminaries in perky aprons and caps will portray Holland. From France there will be some very charming French maids. A group of beginners will be putting their 'best skate forward' to present the Penguins from the Antarctic.

Other countries also colorfully represented in the program will be Japan, Italy, Austria, Germany, Greenland, South America, the British Isles and of course Canada.

Linda McMorris has done the choreography for these routines as well as supervised all practices. The program will include solos, duets and trios along with the group numbers.

The costumes for this year's show are being made by the mothers under the direction of a costume committee.

In addition to the figure skaters the program will include the crowning of a Carnival Queen, clowns and two lucky program draws.

### Kindergarten Registrations

Registration for enrollment in the Drayton Valley Community Kindergarten for the term September, 1968 to May, 1969 will be held on Thursday, April 4th 1968 from 1:30 to 4:30 p.m. in the vestibule of the United Church. Any child who will be five years of age before December 31st, 1968 will be eligible to attend.

Classes will be filled on a first-come, first-registered basis. As a result advance registrations will not be accepted. However, it will be possible to have someone other than a parent pick up the necessary registration form on April 4th for the parent to complete at home and return.

A registration fee of \$1.00 will be charged in order to help pay the cost of the insurance premium.

Further information may be obtained by phoning Mrs. E. Lyle at 542-4374.

### Farm Life Studied

Life on the farm is not the same as it used to be. How do these changes affect the farm family, and especially women who live on the farm?

The Vanier Institute of the Family has commissioned four Canadian specialists to look into this question. Their papers were presented at an international symposium on "The Family in the Evolution of Agriculture" in Paris, March 2nd to 10th.

Dr. Frederick Elkin, University of Toronto, and Mr. Craig McKie, York University, surveyed changes in rural family life; Dr. Helen Abell of Waterloo University studied how the rural family adapts to changes; Miss Margaret Pattillo, University of Saskatchewan, surveyed the educational and vocational training of women on the farm; Dr. Gerald Fortin of Laval University examined the role of the rural family in modern society and of women in the evolution of agriculture.

Copies of the papers will be available on request to the Vanier Institute of the Family, 170 Metcalfe St., Ottawa.

## RAMONA

MRS. JEAN STEWART  
Correspondent.

Sorry there was no Ramona news last week. My messenger forgot to deliver it.

Gary and Rosemarie Hartman and family went to Mayerthorpe a week ago Saturday to visit Rosemarie's family.

Congratulations to Mrs. Vivian Woodruff who won \$30 at the last bingo at Moon Lake. She didn't win the jackpot at Ramona last Tuesday but maybe she's waiting for next month.

Dixie Davis and Gordie Kelly were young winners at the Ramona bingo. Dixie went home with \$10 while Gordon took home \$2.50. Kelly and Deanna Davis and Carrie Kelly took home nothing. I don't think Jim is one of their friends anymore, but wait until April 9th kids maybe one of us will

take home the jackpot. By the way our jackpot next month will be \$120.

Keith Davis has joined the boys up North now. Pretty soon we'll have no men in the country at all. I don't know whether that's good or bad.

Birthday greetings to Tony Blatkiewitz March 10th. Ken Stewart March 17th and Bud Sullivan March 21st.

Everyone seemed to enjoy the supper and dance held in the Ramona Hall Friday March 15th. The supper was delicious and the music was real good too.

Larry and Barb Johnson were up from Edson on the weekend to move their furniture. Town Brothers trucks moved them. Lee, Heather and Tammy stayed the weekend with the Stewarts. I think they were happy to get back home with no one fighting over who is going to feed them or carry them around. We all enjoyed their stay though. Larry is manager of the bowling alley

and pool hall in Edson. If you are in Edson and have a minute to spare or want something to do, drop in and see the Johnsons.

Marilyn Kos hurt her back playing at school last week. Hope it feels better now Marilyn.

Dora Stewart and Johnny Plewis motored to Devon on Sunday to visit Bob, Dolores and family.

The flu has caught up to Terry and Michael Blake. They were out of school last week.

The next Ramona meeting will be April 2nd and everyone with raffle books are asked to bring them to the meeting. Anyone wanting raffle tickets can get them from the members. They cost 1¢ to 50¢ (pay what you pull) and the prize is \$50 cash.

Two Texas farmers were always trying to outdo each other. So, one of the farmers told his son, "Go over to Ezra and borrow his cross-cut saw and tell him I want to cut a watermelon."

Returning, the boy said, "Ezra says he can't let you have his saw until this afternoon. He's only halfway through a cucumber."

Little Oliver was attending his first Sunday school class. "Do you say your prayers before eating?" his teacher asked.

"I don't have to," the boy said, "my mother is a good cook."

## Totems - Elks Deadlocked

The Drayton Valley Elks took a game lead in the Drayton Valley and District Bantam Hockey finals by defeating the Tomahawk Totems 4-3 at the Centennial Civic Centre last Saturday afternoon. This was the first game of a best of three in five games final series for the league championship and the Rotary Trophy.

Don Whelen scored twice for the Elks team while Blair Ibbotson and Glen Swanlund collected singles. For the Totems, David Lukeniuk got a pair of goals and Gordon Reich got the single. It was a tight hard-fought contest all the way with little to choose between the two teams.

### TOTEMS EVEN SERIES

The Tomahawk Totems pulled up on even terms with the Drayton Valley Elks in their best of five games final series when they routed the Elks 6-1 at the Centennial Civic Centre Monday night. The Elks won the series opener 4-3 on Saturday.

### BUCK CREEK NEWS

We are sorry to hear that Mr. G. MacDonald is in Drayton Valley Hospital. We wish him a speedy recovery.

Mr. and Mrs. Forster Simpson travelled to Grand Prairie to visit with their relatives.

The Buck Creek Willing Workers will hold a social and dance in the hall on Friday March 22nd.

The Buck Creek Community Juniors have chosen Bev Gaily to run as Carnival Queen in Lindale in the month of May.

March 9th winners at the whist drive were: Ladies high, Mrs. Lil Gaily; Low, Mrs. Inga Knudson. Men's high, Mr. Ken Gaily; low, Mr. E. Nielson. Next whist - March 23rd at the hall.

### Wabamun Wins

The Wabamun Kings shaded the Drayton Valley Hotel Leprechauns 5-4 in an exhibition Pee Wee hockey game at the Centennial Civic Centre Saturday afternoon.

Scoring for Wabamun were John Stafford with three markers while Len Daniels and Mike Goulet collected singles. Lindsay Machan led the Leprechauns with two goals while Bobby Hall and Darcy Galvon got one each in an excellent game of hockey.

# SIGN UP FOR "PEP" AND PAY THE SAME AMOUNT EACH MONTH FOR GAS SERVICE

Our PAYMENT EQUALIZATION PLAN provides a convenient method of paying your regular monthly gas bill in equal installments during the year. Under this plan, your gas bill payments never vary. Your annual gas consumption is calculated, the total cost divided by 12, and you pay this amount each month — building up a reserve in summer for the higher bills of winter. Actual consumption is of course recorded monthly, and noted on your bill — and adjustment to actual consumption is made every 12 months. It is available to all customers on request. May is the month such regular payments normally are started — so we invite interested customers to contact us now.

## ENTWISTLE NEWS

MRS. E. OLIVER,  
Correspondent.

The Entwistle Elks held another Whist Drive on March 9th with six tables full. The winners were: Ladies, 1st Helen

Hamar; second Ivy Anderson; Consolation Polly Hofmann. Mens, 1st Lawrence Anderson; 2nd Leo Saretsky; and Consolation John Oliver. The next Whist Drive will be held on March 23rd.

Congratulations to Lorne and Lorainne Skare on the birth of a son, on March 11th. This is a brother for Miehelle.

The members of the Fire

Department were rewarded with name crests to put on their fire jackets. Robert Brown and Donnie Hoople joined the Fire Department. ## D.A. Guest Speaker at Ag. Society Meeting

The District Agricultural Society held its regular meeting recently at the home of Mr. and Mrs. H. Hutchinson. Most of the directors were present to help revise the fair prize list.

A special guest speaker, District Agriculturist, Mr. Grant Gillund, outlined some far reaching projects which the Society could undertake to help promote agriculture in the area. These projects would be in the form of short courses, field days, trial plots of grain or forage, home beautification, gardening, etc. These projects would, of course take place throughout the year, therefore making the society active over a period of time,

on April 9th, and practise night will be April 11th.

Mrs. H. Bohnet spent the weekend in Calgary visiting her sons Ralph and John.

The Home and School Bazaar is planned for May 4th. The Association would like mothers to start sewing for the handicraft table. There will be a private section where children can purchase a Mother's Day gift, so articles for this would also be welcome. Please leave completed items with Mrs. Marian Nelson or Mrs. Shirley Sullivan.

Mrs. Angeline Dean is out of the hospital and spending a few weeks at Camrose with her sister. This will give her a rest she needs to restore her to normal health. We hope she will soon be back home and able to resume her job.

instead of only in the summer when the big project is the annual fair.

The fair prize list was also discussed with Mr. Gillund. Several changes were suggested in various classes. The rules are to be revised to help make it easier in the judging of the exhibits. Most drastic changes from the exhibitors' point of view will likely take place in the grains and grasses classes where it is proposed to do away with sheaf exhibits and have acreages and bales of forage instead.

Other business of the meeting included the display of the quilt the ladies have made to be raffled soon, the financial report, and discussion on the cost of putting a concrete floor in the new building. The next meeting is to be at the Ditrer home in Wildwood on the second Wednesday in April.

## Six Months For Shoplifting

A sixteen year old Drayton Valley youth was sentenced to six months imprisonment in Fort Saskatchewan Jail for shop lifting by Magistrate P.L. Keyes in Police Court here last Tuesday.

The youth was convicted on a charge of entering a local store and taking a wallet and set of ear rings valued at \$7.60 without making payment.

## Review of Activities of Warburg Auxiliary

BY MRS. ROSE SAUNDERS

Activities of the Warburg Legion Auxiliary #205 for the past 12 months.

January--No meeting in January due to the weather.

February--Three new members Isobel Martin, Margaret Cunningham, Eva Monds were initiated. Mrs. Dorothy Overall from Mam-e-o Beach was a guest during the evening.

March--Catered to one wedding and held a raffle that netted \$33.20.

April--The main topic for the meeting concerned plans to assist the Legion with the Centennial Banquet and Dance.

May and June--It was decided to spend some money to remodel the ladies wash room. Mrs. Norma Bowen was initiated Mrs. L. Wing of Breton was a guest.

July and August--Catered to one auction sale which netted \$24.19 and donated \$10 to the Pan Am Games in Winnipeg.

September and October--Entertained the old timers on August 21 and catered to the Lindale 4-H Swine Club Banquet and another wedding. It was decided to buy enough material to make hostess aprons the same as the auxiliary colors.

November--Annual November 11th dinner was held which netted \$148.50. The auxiliary takes this opportunity to thank everyone who so kindly helped in any way during the past twelve months.

The Auxiliary's Centennial project was a cook book which was sold during December.

Annual statement shows a balance on hand of \$5.00;

Total receipts \$715.80; Expenses \$760.96. Cash balance \$49.84 and Bank balance \$261.56.

Any women eligible to join the Auxiliary are cordially welcome as well as former members.

The 1968 slate of officers is as follows: President, Mrs. Cecile Jacobsen; 1st Vice President, Mrs. Norma Bowen; 2nd Vice President, Mrs. Lulabelle Hankins; Secretary Treasurer, Mrs. Rose Saunders; and Sgt. At Arms, Mrs. Florence Saunders.

Further information about the auxiliary may be obtained by phoning Mrs. Jacobsen at 696-2129 or Rose Saunders at 696-2217.

### Students to Conduct Service

On Sunday evening, March 24, several students from Alberta Bible Institute in Camrose will be in charge of the service at the Church of God.

We are pleased to have one of our young people Bonnie Mastre attending A.B.I. this year. The students will be meeting with the youth of the church for a time of fellowship from 5 p.m. until the evening service which starts at 7 p.m.

Doc: "You should take a hot bath before retiring." Hollingsworth: "But, Doc, I won't be retiring for another year or so."

## THANK YOU

I wish to express my sincere thanks to all the people who sent gifts and cards during my recent stay in the hospital.  
Larrane Hagen. m20c

St. Anthony's Choir would like to thank those of you who donated to, and those of you who bought from the Bake Sale on Friday, March 15th. There was a profitable sum of \$125 collected from both the Hudson Bay Company and Block's General Store.  
Pauline Comeau, Treas.

The family would like to express their thanks for all the acts of sympathy and kindness extended to them during the recent loss of wife and mother, especially for the cards and little gifts sent to Mrs. Wheeler during her time of illness in hospital. Appreciation is expressed to the doctors and staff of the Drayton Valley Hospital and the General Hospital in Edmonton.  
Thank you to the pallbearers to the Ladies Aid who offered their help, and to the many friends who travelled long distances to pay their respects.  
Mr. Harry Wheeler. m20c

## Health Hints

from  
THE CANADIAN MEDICAL ASSOCIATION

Everybody agrees that chest x-rays are essential in the detection of early tuberculosis, early lung cancer, and other silent, serious lung and heart troubles. Early detection is vital because the chances of controlling or correcting these conditions are greater when treatment can be started early.

There is no question about the value of chest x-rays--but how often should they be taken?

The Canadian Medical Association says, every teen-ager should have a chest x-ray and tuberculin test--before he leaves school. If these are negative, then there need be no more chest x-rays until age 40. However, a tuberculin test should be taken annually. If the tuberculin test is positive, then a chest x-ray should be taken annually.

At age 40, chest x-rays every year should begin. The hazard of tuberculosis, lung cancer and other chest disease,

becomes much greater at this stage in life--particularly for men.

The C.M.A. says that among older men who are addicted to smoking cigarettes, one out of every 300 develops lung cancer.

## Annual Report Shows Gas Sales Increase

EDMONTON--Sales of natural gas by Northwestern Utilities, Limited for 1967 were 86.3 billion cubic feet, the company reported recently in its annual report to shareholders. This is an increase of 6.65 billion cubic feet or 8.4 per cent, over 1966.

An increase of 3,906 customers took place during 1967, with the total being 125, 124 at the year-end.

Revenues from gas sold or transported were \$27,161,000, compared with \$26,066,000 the previous year. Operating expenses were higher by \$1,367,000, due largely to the purchase of greatly increased quantities of gas. This was a result of the Middle East crisis which indirectly resulted in greater production of oil in Alberta and greater production of associated gas.

Net income, as a result, declined to \$3,262,000, compared with \$3,589,000 in 1966. Earnings per common share were \$1.67, down from the \$1.86 in 1966.

The average temperature in 1967 was 3.1 degrees warmer than in 1966, adversely affecting sales to house-heating customers. The fact these sales remained at about the same level as in 1966 is due to growth in the number of customers, the report states.

Industrial sales showed a substantial increase, due to an increase of 2.8 billion cubic feet in sales to the City of Edmonton Power plant, arising in part from the temporary production of power for the Alberta power grid; and to 4.9 billion cubic feet purchased by the Great Canadian Oil Sands Ltd. refinery at Fort McMurray. This gas was required on a short-term basis for boiler use and plant start-up.

However, even without these unusual purchases, Northwestern Utilities reports that the increase in gas sales represents a basic growth of about 5 per cent.

Capital expenditures in 1967 were \$4,267,000, including the connection of eight additional communities. An intensified program of providing gas service to rural customers, us-

ing plastic pipe for mains and services, was inaugurated during the year. A total of 170 miles of plastic pipe were installed, and 681 rural customers connected. This program will be further strengthened in 1968. Expenditures for the current year are estimated at \$5,000,000.

Marketable gas reserves in fields connected to Northwestern Utilities' system were estimated at year-end to be

3,033 billion cubic feet. Processing plants in a number of oil fields provided 69 per cent of the company's total gas requirements last year. The company's dry gas fields produced 17 per cent of the annual requirements, but are designed to meet 82 per cent of the potential peak load. The maximum daily demand in 1967 reached 426 million cubic feet.

Northwestern Utilities pipeline system now totals 3,303 miles, gathering gas from various sources, transmitting it to markets, and distributing it within the 103 communities served by the company in north-central Alberta.
